March 15, 2020

Dear Parents and Guardians,

In light of recent events concerning the COVID-19 virus, the Delano Joint Union High School District has decided to take precautionary measures and close all schools beginning Wednesday, March 18th. The closure will remain in effect at least until Tuesday, April 14th. We understand the impact a sudden closure can have on households, so we are remaining open on Monday and Tuesday to give families time to make arrangements for the foreseeable future.

During the period of closure, Delano Joint Union High School District will be transitioned to a distance learning model. More information will be provided over the next several days regarding learning supports and meal offerings for students during this time.

Also, please be reminded for you and your family to follow the recommendation to practice "social distancing." Social distancing includes avoiding group gatherings of more than 10 people and avoiding public events.

Thank you again for your support and understanding during this difficult time.

Sincerely,

Jason Garcia
Superintendent
