Delano High School Students:

Delano High School, and all schools in the Delano Joint Union High School District, will be starting the 2020-21 school year through distance learning. Students and teachers will connect with classes, and with each other, through Canvas, our online learning-management system. Teachers have worked all summer to develop rigorous courses, and we trust you will find the experience challenging and engaging. **To start the school year successfully, it is critical that all students have access to a computer or laptop, by August 12, 2020.** Students will be required to log-on daily to Canvas. If you do not have access to a computer, or laptop, please check out a laptop at DHS. The laptop distribution schedule is as follows:
