

Hate-Motivated Behavior

The Governing Board is committed to providing a safe learning environment that protects students from discrimination, harassment, intimidation, bullying, and other behavior motivated by a person's hostility towards another person's real or perceived race or ethnicity, national origin, immigrant status, sex, gender, gender identity, gender expression, sexual orientation, religious belief, age, disability, any other physical or cultural characteristic, or association with a person or group with one or more of the aforementioned characteristics. The Superintendent or designee shall design strategies to promote harmonious relationships among students, prevent incidents of hate-motivated behavior to the extent possible, and address such incidents if they occur. This policy must be translated in the student's primary language if at least 15 percent of the students enrolled in the school speak a single primary language other than English.

The district shall notify parents and guardians of their children's right to a free public education, regardless of immigration status or religious beliefs. This information shall include information related to the "Know Your Rights" immigration enforcement established by the Attorney General. The district shall inform students who are victims of hate crimes of their right to report such crimes.

Complaint Process

A student or parent/guardian who believes the student is a victim of hate-motivated behavior is strongly encouraged to report the incident to a teacher, the principal, or other staff member.

Within one business day of receiving such a report, a staff member shall notify the principal of the report, whether or not a uniform complaint is filed. In addition, any school employee who observes an incident of bullying involving a student shall, within one business day, report his/her observation to the principal or a district compliance officer, whether or not the alleged victim files a complaint.

Within two business days of receiving a report of bullying, the principal shall notify the district compliance officer identified in AR 1312.3 - Uniform Complaint Procedures.

Any staff member who is notified that hate-motivated behavior has occurred, observes such behavior, or otherwise becomes aware of an incident shall immediately contact the principal or the compliance officer responsible for coordinating the district's response to complaints and complying with state and federal civil rights laws. As appropriate, he/she shall also contact law enforcement.

(cf. 3515.3 - District Police/Security Department)

(cf. 5145.11 - Questioning and Apprehension by Law Enforcement)

Any complaint of hate-motivated behavior shall be investigated and, if determined to be discriminatory, shall be resolved in accordance with law and the district's uniform complaint procedures specified in AR 1312.3 - Uniform Complaint Procedures. If, during the investigation, it is determined that a complaint is about nondiscriminatory behavior, the principal or designee shall inform the complainant and shall take all necessary actions to resolve the complaint.

The district has the primary responsibility to ensure compliance with applicable state and federal laws and regulations governing educational programs. The complaint review shall be completed within 60 calendar days from the date of receipt of the complaint unless the complainant agrees in writing to an extension of the timeline.

A complaint alleging retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying) must be filed not later than six months from the date it occurred, or six months from the date the complainant first obtained knowledge of the facts of the alleged unlawful discrimination. The time for filing may be extended for up to 90 days by the Superintendent or designee for good cause upon written request by the complainant setting forth the reasons for the extension.

The complainant has a right to appeal the district's decision to CDE by filing a written appeal within 15 calendar days of receiving the district's decision.

In any complaint alleging unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), the respondent also shall have the right to file an appeal with CDE in the same manner as the complainant, if he/she is dissatisfied with the district's decision.

The appeal to CDE must include a copy of the complaint filed with the district and a copy of the district's decision.

The district shall ensure that complaint procedures contain confidentiality safeguards for immigration status information.

The district shall prohibit retaliation against a person who submits a complaint of discrimination, harassment, intimidation, or bullying.
