ATTENDANCE OFFICE SERVICES

HOW DO I CLEAR MY SON/DAUGHTER'S ABSENCE?

Call the Attendance Office the day of the absence with student name, ID#, and specific reason for absence and the date(s) of the absence(s). If you should get voice mail, please make sure to leave the student's name, ID#, specific reason and date(s) of the absence(s). If you would like someone to call you back, please leave your name and phone number where you can be reached.

Another option is to send a note with the student. The note should include the student's name, ID#, specific reason, date(s) of the absence(s) and parent/guardian signature. A home phone number should also be included on the note.

HOW DO I GET A MESSAGE TO MY SON/DAUGHTER

Call the Attendance Office and give the message to the Attendance Clerk/Secretary. If it is an emergency, please let the person taking the message know. Otherwise, for a non-emergency, the message may be sent to the classroom by messenger. Some teachers may hold the message until the end of the period. If you would like to pick up your son/daughter, you may call ahead in order to have the student ready for you in the Attendance Office.

WORK PERMITS

Work permits are issued to students who are enrolled in Robert F. Kennedy High School between the ages of 14-17 years of age. During school time, the work permit allows a student to work 4 hours per day/28 hours per week. During vacation hours, students can work up to 8 hours per day/40 hours per week. California State law requires that all students under eighteen (18) years of age who are employed or wish to be employed have a work permit. This work permit may be obtained in the Attendance Office. In order to obtain a work permit, the minor and his/her parent or guardian must provide the issuing authority with the minor's school record, evidence of age, and written statements from the prospective employer. A student may not work and attend school for a combined total of more than eight (8) hours on any school day. Students working too many hours a day or week and not having regular attendance can have their work permits voided by the site administrator in charge of attendance.

QUESTIONS/COMMENTS/CONCERNS

The following personnel will assist you with any questions, comments or concerns that you have in the areas of Attendance Office services/processes:

1. Attendance Secretary
2. Campus Discipline and Safety Liaison (for individual discipline/attendance matters)
3. Assistant Principal (Attendance)
4. Principal

STUDENT ATTENDANCE

COMPULSORY ATTENDANCE RULES: Compulsory education law states that every person between the ages of 6 and 18 years, not exempted, must attend school full-time (ref. **EC 48200**). Robert F. Kennedy High School may submit compulsory attendance laws paperwork to the Student Attendance Review Board against parents/students whose child is not attending school on a regular basis. Parents/students may be required to appear before the Delano-McFarland District Court.

ABSENCES - EXCUSED: The absence of a student from school/class shall be excused for only the following reasons (code = 1) (ref. **EC 46010**):

- A. Illness or quarantine.
- B. Medical, dental, optometrical, or chiropractic services.

- C. Funeral of immediate family member, limited to one day for services in California and three days for out-of-state (mother, father, grandmother, grandfather, brother, sister, any relative living in the immediate household of the student).
- D. Jury duty.
- E. Up to five days in order to obtain proper immunization; (ref. **EC 46010.5**).

ABSENCES - EXTENDED LEAVE: Students who wish to leave school before the end of the semester or prior to the school's scheduled vacation period must secure administrative approval and follow all conditions set by the school. Failure to do so will result in the student being dropped from Robert F. Kennedy High School. The student would then be required to re-enroll. Extended Leave Request forms are available in the Attendance Office. See Attendance Office Clerk at least a week before you plan to leave.

ABSENCES - RETURN: Students should bring their notes to the Attendance Office immediately upon arriving on campus after their absence. The Attendance Office is open at 7:30 a.m. Anytime a student is absent from a class or school for any reason, it is the obligation of the student to follow through on clarifying the reason for the absence.

Students who are not in line by 8:00 a.m. will automatically receive a late on their re-admit. The Attendance Office will also issue a re-admit at lunch and after school. It is the student's responsibility to get the re-admit and get to class on time. If a student arrives at school after first period begins, he or she needs to report to the Attendance Office to get a re-admit to class.

Students have three full days in order to clear their absence(s). If the absence(s) are not cleared within the three-day limit, teachers will send the student to the Discipline Office with a Student Attendance Referral. Consequences may include the following: First Offense - Warning. Second Offense - Detention. Third Offense - In-House Retention/Parent Contact.

Absences that go unaddressed for more than twenty school days after the date of absence will be changed from an unresolved status (code = A) to truant (code = 89). Parents will then be unable to excuse the absence. After the twenty-day rule is applied, absences can only be adjusted by administrative authority. Students may be required to serve detention or Saturday School to clear any absences beyond this twenty-day limit, in addition to the penalties associated with the failure to provide the teacher a re-admit within the three-day limit.

ABSENCES - UNEXCUSED: Some examples of unexcused absences (code = 9):

- A. Any personal business that could be handled on own time.
- B. Working for an employer.
- C. Oversleeping.
- D. Missing the bus.

ATTENDANCE SWEEPS/LOCKOUTS: Random sweeps and lockouts will be conducted in order to address late/truant students on the Robert F. Kennedy High School campus. Any student caught during a sweep/lockout without an authorized pass may be subject to any of the following: 1) Parent contact, 2) Detention, 3) Saturday School, 4) Behavior contract, and 5) In-House Retention. Repeat offenders will be subject to more severe consequences.

TRUANCY: Truancy occurs when a student is absent from any portion of class or classes without a valid excuse. The following is a list of consequences associated with being truant on an annual basis:

All periods truant must be cleared:

- 1 Single period —> 1 Detention
- 6 Single periods —> 1 Saturday School/In House Retention

In addition, the following consequences will occur:

TRUANT (STAGE 1): 3 DAYS TRUANT OR TOTAL OF 18 SINGLE PERIOD TRUANCIES

Consequences: letter mailed home, parent contact, appropriate referrals for remediation and Saturday School/After School Detention/Work Detail assigned.

TRUANT (STAGE 2): 6 DAYS TRUANT OR TOTAL OF 36 SINGLE PERIOD TRUANCIES

Consequences: letter mailed home, parent conference/home visit, Behavior Contract and Saturday School/After School Detention/Work Detail assigned.

TRUANT (STAGE 3): 9 DAYS TRUANT OR TOTAL OF 54 SINGLE PERIOD TRUANCIES

Consequences: letter mailed home, parent contact, possible referral to the School Attendance Review Board (SARB), and Saturday School/After School Detention/Work Detail assigned. If the SARB holds a meeting, the student for example may be placed on a SARB Contract, referred to support services and/or student/parent may be cited to appear in court.

OFF-CAMPUS PASS: Students are not allowed to leave campus without administrative authorization. If a student must leave the school campus during the day, the parent or guardian must contact the Attendance Office prior to the student leaving campus. Unless the school receives communication (written note or phone call) from a parent or guardian, the student will be charged with an unexcused absence. All students must stop by the Attendance Office to get an off-campus-pass for medical appointments or for any other permissible reasons. When returning to school, students are to present the off-campus pass at the Attendance Office and acquire a readmit to class.

LATE TO CLASS: Any student late to class over thirty minutes 3 times is considered legally "Truant" pursuant EC 48260(a). More severe penalties may be assessed than for an ordinary "Late" to class. If the student is not inside the classroom when the "Late" bell begins to ring, that student is "LATE!"

("LATE" = 1 second to 29 minutes late)

("TARDY" = 30 minutes or more late)

Students who are late to class will receive a 30 minute after school detention that is to be served on the same date as the infraction. Work detail may be assigned as part of the 30 minute detention per (CCR. 353). The Intervention teacher will have the daily responsibility to supervise students in a classroom setting, from a single period up to five (5) consecutive days, normally during 8:00 a.m. until 3:00 p.m. Students assigned full days to this disciplinary program will only be provided a 30-minute lunch break and will not be permitted to leave the campus. GUIDANCE AND COUNSELING (720-5109)

The guidance department provides a very important service to the total school population. Guidance and counseling involves the process of consulting, providing information and coordinating services for all students. Students, parents, and teachers are encouraged to use the services provided by the counselors. Counselors work with students to:

Provide information or point out sources of information; sort out what decisions need to be made or identify what problems need a decision while exploring various alternatives. Students often want to see their counselor about their current classes, test interpretations, school, peer, or family problems, educational planning, and vocational information. Robert F. Kennedy High students consult with counselors about:

School or Educational Issues---grades, attendance, course selection; schedule changes, test scores, graduation requirements, various school programs, progress reports, teachers, study habits, conferences, and progress toward graduation.

Career Planning---job market, vocational aptitude results, ASVAB scores, SAT/ACT scores, making choices, interest, four-year plan, college majors, college entrance requirements (exams, grades, etc.) cost of college, trade schools, military, which schools are best.

Personal matters---self-image, drugs/alcohol/physical abuse, fear/hopes, peer problems, family changes, pregnancy, motivation, depression, gang affiliation, drop-out prevention, grief, community resources, values and conflicts.

A student needing to see his/her counselor should fill out a “Request to See Counselor” form. These forms are available in Mrs. Jasso’s workstation located across from the counseling offices. The counselors are all available before and after school and during lunchtime.

Counselors (Administration Building):

The guidance counselors will continue to develop the potential of each students “unique” educational, career, personal/social needs.

Students are given various achievement tests to determine current level of academic ability. This is used in addition to teacher recommendations when considering course selection. The student’s individual career plan and personal needs are also considered.

Sophomore Counseling:

The counselors set up appointments with the 9th and 10th grade parents and students to work on a four-year high school plan. At this conference, counselors explain educational options after high school, academic progress toward graduation, and proficiency results. A career goal is also explored.

Testing Information:

PLAN test – This test was formerly called the P-ACT. It was preliminary ACT test for college admissions. All college prep sophomores are encouraged to take this test. It is administered only once a year in October. The sophomore counselor has the information and practice test. There will be a fee.

PSAT – This is the preliminary test for the SAT. It's a short version of the S.A.T. designed for juniors. Also, the PSAT qualifies students to be considered for various scholarships, such as the National Merit Scholarship program. The test will be administered by the junior counselor in October. It is only given once a year. There will be a fee. We encourage all college prep juniors to take the test. Practice tests are available in the career center.

ASVAB – The Armed Services Vocational Aptitude Battery is for Juniors and Seniors. The ASVAB is not only for those thinking of entering the military, but it's an excellent assessment of a regular student's vocational skills. There is no fee, and the test is usually administered on campus by military personnel. The sign-up sheet is in the Counseling Office with Mrs. Jasso (661-720-5111). The test lasts all morning.

California Assessment of Student Performance & Progress (CAASPP) – This test is given every spring to juniors. It is a state test measuring academic achievement in core content areas (English & Math). The results of these tests are put on the student's transcript. The district compiles individual and group data to affect change in curriculum and instruction. All students are tested over a 4 to 5 day period at no charge. Students are encouraged to do their best since the scores go on their permanent record and are used for placement in some courses.

Advanced Placement – The A.P. program offers courses which are college-level subjects in which students can earn both high school and college credits. Four-year colleges and universities give special consideration to students who enroll in A.P. courses by awarding an extra point to the G.P.A. for grades of C or higher. The A.P. program is nationally recognized. Students are expected to take the A.P. exam in the late spring. Scores of 3 or higher result in college credit at most institutions. Check with the senior counselor for the various A.P. exams that are offered.

RE: TEACHER QUALIFICATION and MILITARY RECRUITERS – PARENT NOTIFICATION REQUIREMENT

Dear Parent(s)/Guardian(s):

In January, 2002, a new federal law, the No Child Left Behind Act of 2001, was passed by Congress. The purpose of this letter is to inform you about a provision in this new law that requires all districts to notify parents regarding qualifications of their student's classroom teacher and military recruiters. Every district that receives Title I funds must ensure that all teachers teaching in "core academic subjects" are highly qualified.

This means that any teacher who was hired to teach prior to the first day of the 2002-03 school year, has four years to obtain the necessary credential. This letter is to inform you that, according to federal law, parents have the right to request information regarding the professional qualifications to their child's teacher, including:

- **Whether the teacher has met state credential or license criteria for grade level and subject matter taught.**
- **Whether the teacher is teaching under emergency or other provisional status.**
- **The baccalaureate degree major of the teacher and any other graduate certification or degree held.**
- **Whether the child is provided services by paraprofessionals, and, if so, their qualifications.**

Parents must also be notified if their child is taught by a teacher who is not "highly qualified" for four (4) consecutive weeks. One of the most important goals of the Robert F. Kennedy High School Faculty/Staff is to achieve academic success for each and every student. Our school program is composed of dedicated, professional, men and women with the same common goal to do what is best for the students.

The following regarding military recruiting is an additional item that is part of the "Annual Notice to Parents" regarding the No Child Left Behind Act of 2001. **Federal law permits military recruiters access to names, addresses, and telephone numbers of secondary school students.**

Parents may request that this information not be released without prior written parental consent. A request that this information not be released without prior written parent consent must be submitted, in writing, to the Delano Joint Union High School District Office, 1720 Norwalk Street, Delano, CA 93215.

If you have any questions, concerning the education and instruction your child is receiving from any one of our staff members, please do not hesitate to contact Jeanne Bumatay at (661) 720-4103 or Elsa Jauregui at (661) 720-4101 at the District Personnel Office.

Sincerely,

A handwritten signature in black ink, appearing to read "Dolores Rodriguez".
