

Take The First Step!

**ACCELERATED TRAINING
FOR BUSY ADULTS!**

Like us on

Facebook.com/HarperRandCR

Delano Adult School in partnership with CalRegional offers affordable healthcare career training programs. Payment plans available, everyone qualifies. No experience necessary. Must be 18 years or older and have a high school diploma/GED

The **Medical Assistant** program provides students with the essential clinical and administrative skills necessary for working in the medical field.

The online **Billing and Coding Specialist** program is a live, online instructor-led program. Students learn to review medical records and translate diagnosis of patients into medial codes including IDC, CPT and HCPCS.

The online **EKG Technician** program is a live, online instructor-led program. Students learn how to conduct EKG testing on patients and report findings to physicians.

With day, evening and weekend schedules, now is the time to get trained in one of the fastest growing career fields!
