

DISTANCE LEARNING
2ND SEMESTER 2020

GRADING POLICY

OPPORTUNITY TO INCREASE

Teachers will assign grades based on students' 3rd quarter grades, with opportunities to increase their final grade.

LETTER GRADES

Teachers will issue letter grades of **A**, **B**, **C**, and No Credit (if they have an **F**); **D** grades will be replaced with "Credit" in the final second semester grade.

CONTINUE TO PARTICIPATE

Students must continue to participate in distance learning in order to receive a letter grade. Failure to participate in distance learning may result in receiving a "Credit" mark in lieu of a letter grade.

DUAL ENROLLMENT

For students enrolled in Dual Enrollment courses, **we will continue to follow Bakersfield College, Cerro Coso, and CSUB expectations** of continued learning through our distance learning platforms so the students can earn their college credit.
