ARTICLE XV

LAYOFF PROCEDURES

- A. Reason for Layoff: Layoff in the classified service may occur for lack of work or lack of funds as necessitated by state and federal funding.
- B. Notice of Layoff: The District shall notify both the Association and the affected employee(s) in writing not later than sixty (60) days prior to any planned layoff. Any notice of layoffs shall specify the reason for layoffs and identify by name, class, and classification, the employee(s) designated for layoff.
- C. Order of Layoff: The order of layoff shall be based on seniority within that class and higher classes throughout the District. An employee with the least seniority within the class plus higher classes shall be laid off first. Seniority shall be based on the date of hire.
- D. Equal Seniority: If two (2) or more employees subject to layoff have equal class seniority, the determination as to who shall be laid off will be made on the basis of District needs, greater hire date seniority, the employees' training and experience, and written evaluations by the District.
- E. Bumping Rights: An employee laid off from his/her present class may bump into the next equal or lower class in which the employee has greater seniority. The employee may continue to bump into such equal or lower classes to avoid layoff provided the employee has worked previously in the equal or lower class position.
- F. Reemployment Rights: Laid-off employees are eligible for reemployment in the class from which they were laid off for a thirty-nine (39) month period and shall be reemployed in the reverse order of layoff. Their reemployment shall take precedence over any other type of reemployment defined under this Agreement. In addition, they shall have the right to apply for promotional positions within the filing period specified under this Article and use their bargaining unit seniority, training, experience, and written evaluations by the District herein for a period of thirty-nine (39) months following layoff. The District shall post all classified positions as per the Collective Bargaining Agreement that will ensure an employee on an unemployment roster an opportunity to apply and be considered.
- G. Seniority Roster: Upon written request, the District shall provide California School Employees Association (CSEA) with an updated seniority roster thirty (30) days before the District exercises its managerial right to effectuate the layoff. The seniority roster shall indicate the employee's class seniority and hire date seniority within the class.
- H. Notification of Reemployment Openings: Any permanent employee who is laid off and is

subsequently eligible for reemployment shall be notified in writing by the District of an opening. Such notice shall be sent by certified mail to the last address given to the District by the employee.

- I. Employee Notification to District: An employee shall notify the District in writing of his/her intent to accept or refuse reemployment within five (5) working days following receipt of the reemployment notice. If the employee accepts reemployment, the employee must report to work on the date indicated. If an employee refuses the employment offer, the offer shall be made to the next person on the reemployment list with the greatest seniority. If an employee declines an offer of employment, his/her name shall be placed at the bottom of the seniority list. All employees who are in a laid-off status shall remain on the reemployment list for a period of thirty-nine (39) months. An employee who declines a second offer of reemployment from the District shall be considered unavailable for employment, shall be dropped from the reemployment list, and acquit the District of its notification responsibility.
- J. Unemployment Benefits: Upon written request, the District agrees to provide the Employment Development Department with any and all information pertaining to any laid-off employee who files for unemployment benefits.
- K. Retirement in Lieu of Layoff: Notwithstanding any provision of law, any permanent classified employee who was subject to being or was in fact laid off for lack of work or lack of funds and who elected service retirement from the Public Employees Retirement System shall be placed on an appropriate reemployment list. The District shall notify the Board of Administration of the Public Employees Retirement System of the fact that retirement was due to layoff for lack of work or lack of funds. If he/she is subsequently subject to reemployment and accepts in writing the appropriate vacant position, the District shall maintain the vacancy as provided in this Agreement and/or until the Public Employees Retirement System has properly processed his request for reinstatement from retirement.
- L. Notice of Vacancies: The District shall determine in all cases if a vacant position within the bargaining unit exists and when a vacant position shall be filled among bargaining unit members who were laid off and are on the District's current reemployment roster.
  1. The District shall notify all laid off persons in writing of any vacancies in the classified bargaining unit. This notice shall be sent to the last address given to the District by the employee. Further, all laid-off persons shall receive priority consideration for any vacancy that he/she qualifies for before consideration is given to any outside applicant.
- M. Improper Layoff: Any employee who was improperly laid off shall be reemployed upon discovery of the error and shall be restored for loss of any salary benefits he/she is legally

entitled to.

- N. The parties agree that the provisions of this Article represent full agreement as to the procedures that are to be followed when conducting all aspects of layoffs in the classified service and there shall be no duty on the part of either party to meet and negotiate further during the term of this Agreement.
- O. The parties agree to negotiate the effects of any layoff that may occur during the term of this Agreement.

ARTICLE XVI

DRUG AND ALCOHOL TESTING PROGRAM

- A. Every employee in the District is expected to render service without being impaired by or under the influence of alcohol or drugs of any kind. The safety and health of students, staff and the public require that every reasonable precaution be taken to discourage substance abuse and prohibit impaired individuals from rendering service in the District.
- B. The Superintendent shall implement procedures aimed at establishing and maintaining a drug and alcohol free environment. These procedures shall include:
  - 1. Pre-employment drug and alcohol screening for all potential employees. Any applicant whose test for drugs or alcohol is positive shall be given reasonable opportunity to challenge or explain the results. In the event test results are confirmed and no further medical justification exists for a drug disqualification, the applicant may reapply for new position vacancies after a period of six (6) months has elapsed.
  - 2. Pre-promotional drug screening shall be required for employees seeking promotion. Any employee whose test for drugs or alcohol is positive shall be disqualified for the promotion, and shall be treated as an employee under the provisions of Paragraph C (2), (3), and (4) of this Article.
- C. Drug or Alcohol Testing may be required for any employee for cause as directed by the Superintendent or the Superintendent's designee. Any designated individual who issues the requirement for the testing of employees for drugs or alcohol must have received training in the identification of persons 'under the influence'. Testing may be required whenever the Superintendent or designee determines that there are objective indications of behavior, demeanor, or job performance which create reasonable suspicion that the employee has been impaired by drugs or alcohol while in the scope of employment by or representation of the office; whenever an employee is involved in a work-related accident causing injury to self or others or to property of self or others for which drug or alcohol impairment may reasonably have been a contributing factor; or, with prior notice, during any physical examination regularly required by the Superintendent or under state law for the position.

**CSEA Chapter 79 and DJUHSD Agreement, 2016-2019**

1. An employee who refuses to cooperate fully and in a timely manner (having regard for the efficacy of the testing procedures) with the requirement to undergo drug or alcohol testing shall be considered insubordinate and subject to existing disciplinary procedures.
  2. An employee who tests positively for drugs or alcohol shall be given reasonable opportunity to challenge or explain the results. During the period of any challenge, the employee may be reassigned or relieved of duties with pay.
  3. Where the results are confirmed and no medical justification exists for drug or alcohol use, the employee will be given reasonable opportunity to participate in a program of counseling and/or treatment. For this purpose, the District will make available for all employees an employee assistance program (EAP) available through the District's health and welfare benefit carrier. The District's financial obligations for the EAP shall be limited to the premium contributions made by the District on behalf of eligible employees.
  4. Where an employee who tests positively declines to participate in a counseling and/or treatment program, or withdraws from a program once begun without satisfactory completion or release, the Superintendent may consider action under existing disciplinary procedures.
- D. A program of counseling and/or treatment will be approved by the Superintendent as an alternative to immediate disciplinary action provided the following:
1. The employee's performance or conduct while impaired was not so hazardous or otherwise detrimental to the work of the office as to warrant immediate dismissal or suspension.
  2. The employee is not subject to suspension under Education Code Section 44940 or any other provision of state law.
  3. The counseling and/or treatment shall be at the employee's expense (except where covered by the district's health plan or EAP for employees).
  4. The employee continues to work satisfactorily while undergoing counseling or treatment; however, in the case of residential placement, the employee shall be entitled to use sick leave and other leaves where available.
  5. The employee continues to participate satisfactorily in the counseling or treatment program.
- E. As used in this Article, drugs include any controlled substance defined by law, any prescription or over-the-counter medicine whose intentional misuse may cause impairment or job performance, if the employee's supervisor has not been informed of that potential.

**CSEA Chapter 79 and DJUHSD Agreement, 2016-2019**

- F. As used in this Article, drug and alcohol test includes blood, urine, breath, or other chemical tests performed by physicians or professional testing laboratories. Tests shall in all cases be conducted under strict professional standards, insuring that there will be strict confidentiality and that only scientifically confirmed positive results are reported to the Superintendent.
- G. All aspects of the testing procedures shall be conducted in the strictest confidence. The result records shall not be maintained in an employee's regular personnel file. Each tested employee is entitled to a copy of the laboratory report of the test results.
- H. Any test required under this Article shall be conducted at the District's expense.
- I. The laboratories utilized for the drug or alcohol testing shall be outlined in a Sideletter which shall be incorporated as an appendix to this Agreement.
- J. The District agrees to provide transportation to a recognized testing site when appropriate.
  - 1. Any statements concerning the use of drugs or alcohol made by an employee being transported to a testing facility shall not be used by the District as part of any disciplinary action.
- K. The District and CSEA agree that Bus Drivers shall be subject to disciplinary measures for violation(s) of a "Zero Tolerance" policy as related to drug and alcohol testing.

**ARTICLE XVII**

**RECLASSIFICATION**

- B. A reclassification shall not occur to address an increase with workload of the same type of duties, temporary assignment(s) typically occurring less than five (5) days and no longer than fifteen (15) days, or duties undertaken on a voluntary basis without assignment or knowledge of the immediate supervisor.
- C. Procedures:
- 1 A request for reclassification shall be submitted to both the District Superintendent or his or her designee and to the Chapter President of CSEA Chapter 79 with required data no later than October 15th of any year. Reclassifications may be initiated by the District at any other time to address an operational need. The District will meet to negotiate all such requests annually with CSEA. This negotiation process shall take place during the months of November and December. This timeframe may be modified through mutual written agreement between the District and CSEA.
  2. When either party seeks to effect a reclassification, he/she shall obtain a "Reclassification Request Packet" from the District Office and shall complete and submit the Packet to the other party with all of the following Packet data:
    - a. The class or position to be reclassified;
    - b. A copy of the existing job description and salary placement;
    - c. The proposed job description and salary placement;
    - d. Employees affected by the proposal and the proposed disposition of same;
    - e. The basis for the reclassification.

**CSEA Chapter 79 and DJUHSD Agreement, 2016-2019**

3. The other party shall have forty-five (45) working days from date of receipt of the reclassification proposal to respond. It may:
  - a. advise that it approves the proposal;
  - b. call for a consultation session before referring the request(s) to the negotiation provisions of this Article.
4. Nothing in this section shall prevent an employee from exercising the rights set forth in Education Code Section 45110 respecting inconsistent duties which exceed five working days or Article III of the Collective Bargaining Agreement.

ARTICLE XVIII
