

ASB TEACHER CONSENT FORM

DIRECTIONS: Before a student can participate in an ASB Activity that will, in part or in whole, take place during regular instructional time, consent must be obtained from all of the teachers of that student. Teacher may withhold consent if the student is receiving an “F” grade in their class, or if the student is receiving a “D” grade in a college prep class. It is the responsibility of each student to present this form to each of their teachers, obtain written consent of each teacher to participate in the ASB Activity, and provide the completed form to their advisor prior to departure. Advisors must not permit students who have not obtained teacher consent to participate in the ASB activity.
